

GREAT BACKYARD BIRD COUNT

COME FIND OUT
WHAT IT'S ALL ABOUT
AND HOW TO DO IT!

SUNDAY
FEB 15
10:00 AM

MEET AT THE BULLETIN BOARD ON
DR. KAY DRIVE IN SCHOMBERG.

Counting birds is a fun, free, family-friendly way to discover and help the birds in your community.

▶ Visit birdcount.org to learn more.

The BIRD COUNT takes place on the same days around the world (Feb 13-16). Basically you record the numbers and species of birds seen and submit the data online to an international website. The data helps track the location and numbers of birds in a snapshot of time. Scientists are using it to track the changes in behaviour of birds due to global climate change.
